Excavator Operator

Description

We are currently seeking a qualified candidate for the position of **Excavator Operator** with a valid driving license to work in the Dhofar Governorate.

Responsibilities

- Operate excavators safely and efficiently on various construction sites.
- Follow project specifications and plans to ensure accurate work completion.
- Maintain machinery in good working order and report any technical issues to management.
- Collaborate with other team members to ensure smooth operations.
- Comply with all safety guidelines and regulations.

Qualifications

- Possession of a valid excavator operator's license.
- Demonstrated experience operating excavators and similar machinery.
- Ability to perform routine maintenance on equipment.
- Strong understanding of safety protocols and regulations.
- Willingness to work in diverse weather conditions and adhere to project deadlines.
- Good communication skills and ability to work as part of a team.

Job Benefits

Interested candidates who meet the above criteria are encouraged to submit their resumes along with a copy of their driving license to the provided contact information. We look forward to welcoming a dedicated and skilled operator to our team in Dhofar.
